City Council Action Item

Council Meeting Date: July 26th, 2018

Agenda Item #:

Department: Public Works

Agenda Item: Consider Purchase of Vibratory Roller

Background/Description of Item:

In 2015, the Edgerton City Council adopted a revised Vehicle and Equipment Replacement Policy. The stated purpose of the policy is to provide effective guidelines for administering and accounting for the City's vehicle and equipment replacement; to provide a framework for decisions relating to replacement; and to act as a budgeting guide for the Governing Body and Staff.

At the Council Meeting on April 23rd, 2015, City Council approved the purchase of the Dynapac CC90G Vibratory Roller. Per the Vehicle and Equipment schedule this unit was not slated for replacement until 2025; however, the roller was damaged in the flood on August 22nd, sustaining a total loss of the unit.

Consistent with the City's Purchasing Policy, staff obtained at least three written quotes for the purchase of a Vibratory Asphalt Roller complete with safety lighting, roll over protection and extended premier warranty with travel. Staff researched companies and collected proposals from three different dealers within the Metro area based on prior research and networking with other municipalities.

For the proposed replacement unit staff recommends moving up in size/capacity and increasing the roller drum width. The Dynapac CC90G Vibratory Roller has a drum width of 36" an operating capacity of 1.5-tons. The proposed replacement unit has a 47" drum width and an operating capacity of 2.5 tons. This increased drum width helps to improve productivity per pass which reduces the amount of time needed to compact a given patch. Additionally; the proposed unit will allow for staff to undertake additional maintenance activities in gravel roadway maintenance and dust control application, as well as the ability to compact larger asphalt patches.

Staff made the recommendation after on sight demos each of the units. This recommendation takes into account the departmental needs of today with our current patching activities underneath the Annual Street Program and the patching activates that fall outside this program. As well this recommendation looks to address the departments future needs with

gravel roadway maintenance and dust control and the ability to undertake larger asphalt patching project. Staff feels that the Caterpillar CB24B is the unit that best aligns with?????.

Related Ordinance(s) or Statue(s):

Funding Source: Equipment Reserve Fund - General

Budget Allocated: Amount included in 2019 Vehicle & Equipment Schedule.

Finance Director Approval:

X 

Karen Kindle, Finance Director

Recommendation: Approve the purchase of Caterpillar CB24 Asphalt Roller in an amount not to exceed \$39,163.00.

Enclosed: Vibratory Roller Vehicle & Equipment Request Form
Bid Documents
Kirby-Smith Machinery, Inc – Explanation Email.

Prepared by: Trey Whitaker, Public Works Superintendent

VEHICLE & EQUIPMENT

Vehicle or equipment requested: CAT CB24B Roller Date: _____

Describe need for vehicle or equipment: Replacement of the totaled roller from the flood. This unit needed asphalt work and other street related projects. Staff recommends going up a size from 1.5 ton to 2.5 ton, this will allow staff to complete additional roadway maintenance activities including gravel roadway maintenance and dust control, standard asphalt patching of localized distresses and the ability to undertake larger scale asphalt patching. Additional staff feels that this larger unit will better align with the City of Edgerton's future asphalt needs.

Describe bid process and attach documentation: Staff solicited for bids from multiple vendors/manufactures, staff received 5 official bids Foley Caterpillar, Logan Contractors Supply, Murphy Tractor, Van Keppel and The Victor L. Phillips Co. provided staff with bids for units with the accompanied specifications outlined in the Vibratory Roller Bid Packet.

Good afternoon Cody,

Kirby-Smith is the HAMM roller dealer in Oklahoma and Texas but in Kansas City we are not the dealer for them. That being said we can bring new units up to KC for rentals and once they are 1 year old we can sell them.

Unfortunately Murphy is the dealer for them here in KC.

Thanks,

Phil Brown

TERMS AND CONDITIONS

- 1.Seller reserves the right to accept or reject this order and shall not be required to give any reason for non-acceptance.
- 2.This order, when accepted by Seller, shall become a binding contract, but shall be subject to strikes, lockouts, accidents, fire, delays in manufacturing or transportation, acts of God, embargoes, or governmental action, or any other causes beyond the control of the Seller, whether the same as or different from the matters and things hereinbefore enumerated, and any of said causes shall absolutely absolve the Seller from any liability to the buyer under the terms hereof.
- 3.Unless the equipment is paid in full in cash at the time of delivery, Seller retains and Buyer hereby grants to Seller a purchase-money security interest in the equipment, including all accessories, spare parts, special fittings, and tools thereof, and all additions, accessions, increases, improvements, renewals, substitutions, or replacements thereof (collectively, the "Collateral"), together with all proceeds from any sale or other disposition of all or any part of the Collateral to secure the full amount owed therefore, together with all interest, fees, and penalties. Unless Buyer shall execute a separate security agreement with Seller covering the Collateral, this Agreement shall constitute a security agreement for the Collateral. Promptly upon request, Buyer agrees to execute a note or other evidence of Buyer's indebtedness for the Collateral, which shall only constitute evidence of such indebtedness and not a payment or satisfaction of such indebtedness. Promptly upon request, Buyer shall, at its expense, do any act and execute, acknowledge, deliver, file, register, record, and ratify all documents requested by Seller, in Seller's discretion, to perfect Seller's security interest in the Collateral, including but not limited to, any financing statements. Buyer hereby irrevocably appoints Seller its attorney-in-fact, which such appointment shall be coupled with an interest, to do such acts and to execute and file all such documents on Buyer's behalf, which power is coupled with an interest, and which power is delegable by Seller. Buyer acknowledges that Seller's signature or the signature of its delegate on such documents to be the same as Buyer's own for all purposes and with the present intent to authenticate the document. Buyer represents and warrants to Seller that (a) Buyer has the power to make, deliver, and perform under this Agreement, (b) the person executing this Agreement is authorized to do so on behalf of Buyer, (c) this Agreement constitutes a valid obligation of Buyer, legally binding upon it and enforceable in accordance with its terms; (d) all credit, financial, and other information submitted to Seller in connection with this Agreement is and shall be true, correct, and complete; (e) the Buyer: if an individual, has his or her principal residence in Kansas or Missouri, or in state otherwise indicated on the front of this order, if a registered entity, is registered under the laws of the State of Kansas or Missouri, or in state otherwise indicated on front of this order; if a non-registered entity, has its principal place of business in Kansas or Missouri, or in state otherwise indicated on front of this order; (f) Buyer's name set forth on the front of this Agreement is Buyer's full, legal name; and (g) the Collateral is and shall remain located in the State of Kansas or Missouri or state otherwise indicated on the front of this order. A breach by Buyer in the terms, representations, or warranties of this Agreement or the terms of any invoice for the equipment hereunder, including but not limited to, failure to pay in full the amount owed for the equipment within the time periods stated herein or on any such invoice, shall constitute an event of default, and all amounts owing to Seller shall be immediately due, and Seller shall have all rights and remedies in law or in equity, including but not limited to, the Kansas or Missouri Uniform Commercial Code, and as set forth herein.
- 4.Unless Shipment is provided by Seller, the Seller's responsibility for shipment ceases upon delivery to the transportation company and any claims for shortages, delays or damages occurring thereafter shall be made by the Buyer direct to the transportation company. Any claims against the Seller for shortages in shipments shall be made within fifteen days after receipt of shipment
- 5.The Buyer agrees that this order shall not be countermanded by him, and that when it is accepted (and until the execution and delivery of the contract or contracts and Note or Notes required to consummate the sale as above specified) it will cover all agreements between the parties relative to this transaction, and that the Seller is not bound by any representative or terms made by any agent relative to this transaction which are not embodied herein.
- 6.DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY. Buyer understands and agrees that Seller is not the manufacturer of the Equipment; the Equipment is of a size, design, capacity, description, and manufacture selected by Buyer; Buyer is satisfied that the Equipment is suitable and fit for its intended purposes, including without limitation compliance with air quality or other environmental requirements. Buyer is solely responsible to know, understand, and comply with all requirements applicable to the jurisdictions where the Equipment will be used. The Equipment described herein as "new" is sold subject to such warranties as are made in writing by the manufacturer of the Equipment thereof. Except to the extent a special warranty is made by Seller in writing and executed by Seller's authorized representative, SELLER MAKES NO REPRESENTATIONS OR WARRANTIES CONCERNING THE EQUIPMENT, MATERIALS CONTAINED IN THE EQUIPMENT, OR BUYER'S USE THEREOF, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR TITLE. SELLER SHALL NOT BE LIABLE TO BUYER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THE TRANSACTION CONTEMPLATED HEREUNDER, WHETHER AN ACTION BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR ANY OTHER LEGAL THEORY, INCLUDING, BUT NOT LIMITED TO, LOSS OF ANTICIPATED PROFITS, OR BENEFITS OF USE OR LOSS OF BUSINESS, EVEN IF SELLER IS APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES OCCURRING. THE MAXIMUM EXTENT OF SELLER'S LIABILITY TO BUYER SHALL BE THE TOTAL AMOUNT OF ANY PAYMENTS MADE BY BUYER TO SELLER.
- 7.Consumer Laws. The laws of certain jurisdictions prohibit the limitation of certain warranties and the remedies and damages for the breach of such warranties. If any provision of this Agreement is in conflict with any statute or rule of law of any state or district in which jurisdiction may lie for enforcement, then such provision shall be deemed null and void to the extent but only to the extent that it may conflict therewith; and the remaining provisions hereof shall not be invalidated, but may be reformed by the court to the extent necessary to protect the rights of the parties.
- 8.If this equipment is being rented with an option to purchase, all service and repairs performed on this machine must be in accordance with the manufacturer's recommendation, using parts only from the manufacturer of this machine. Buyer agrees that Buyer is responsible to obtain all insurance coverage for equipment while it is being rented from seller. Buyer agrees to be bound by the terms of any rental agreement with the seller of the equipment in addition to terms of this agreement.
9. Notice is hereby given that Foley Equipment Company has assigned its rights under this sales contract to CATD Exchange Services, LLC to sell the rental equipment described herein and, if applicable, to purchase trade-in property described herein.
10. In the event this machine is equipped with Product Link, I understand data concerning this machine, its condition, and its operation is being transmitted by Product Link to Caterpillar Inc., its affiliates (Caterpillar), and/or its dealers to better serve me and to improve upon Caterpillar products and services. VOLVO DOUBLE DRUM COMPACTORS

DD25B

2.6 t 25 hp

PERFORMANCE YOU CAN COUNT ON.

360° visibility

With an optimally positioned sliding seat, angled drum mounts and a sloping hood design, the DD25B provides industry-leading, all-around visibility. Whether rolling forwards or in reverse, the operator has a clear view of the drum edges and surroundings – delivering precise compaction and improved safety.

Introducing the DD25B, a highly efficient double drum compactor designed to increase performance and reduce fuel consumption on small scale compaction projects. Featuring the new Volvo D1.7A engine, this machine meets the strict Stage IV/ Tier 4 Final emissions regulations without adding an exhaust after-treatment system. Experience increased machine performance and enhanced productivity with Volvo.

High performance

With Volvo's high frequency compaction, the DD25B can travel faster while still maintaining the correct impact spacing necessary for high productivity and a smooth finish. The frequency can be adjusted from 3,300 vpm to 4,000 vpm to cater for different applications.

Optimized for efficiency

The new Volvo D1.7A (18.5 kW/25 hp) engine effectively meets the stringent Stage IV/ Tier 4 Final emissions regulations without the cost or complexity of an exhaust after-treatment system. The optimized eccentric system ensures a powerful performance – equivalent to machines fitted with a bigger engine.

Pressurized water system

The DD25B boasts an industry-leading water tank capacity. A rust-proof, pressurized water system provides consistent flow to the front and rear drum surfaces – eliminating asphalt pick-up. Fine filters behind each of the eight spray nozzles minimize clogging and ensure correct fan spray coverage – providing ideal wetting of the drum surface.

Reduced fuel consumption

The Volvo D1.7A engine is perfectly matched to the DD25B's hydraulic system – delivering high performance and a 7% reduction in fuel consumption.

THE VOLVO EXPERIENCE.

Engine compartment

For easy maintenance access, the hinged engine hood tilts forward – providing wide access to the engine and hydraulic components at ground level.

Water level indicator

The operator can easily monitor the water tank level from the seat.

Intermittent water spray

The DD25B boasts an industry-leading water tank capacity. The operator can adjust the time between water sprays to the drums to conserve water and reduce refilling downtime.

Optimized for efficiency

The new Volvo D1.7A engine delivers high performance while meeting the stringent Stage IV/ Tier 4 Final emissions regulations without an exhaust after-treatment system.

Urethane drum wipers

Front and rear drum wipers are made of urethane – increasing effectiveness and component lifetime as well as reducing maintenance requirements.

Auto start vibration

Vibration engages automatically when the FSR lever is moved out of neutral and disengages when the lever is put in the stop position. This eliminates the risk of accidental damage to the mat.

Reduced fuel consumption

The Volvo D1.7A engine is perfectly matched to the DD25B's hydraulic system – delivering high performance and a 7% reduction in fuel consumption.

Machined drums

Machined drums with chamfered edges are perfectly round in order to produce a smooth, mark-free mat.

360° visibility

With an optimally positioned sliding seat and a sloping engine hood design, the operator will experience industry-leading, all-around visibility.

High performance

With Volvo's high frequency compaction, the DD25B can travel faster while still maintaining the correct impact spacing necessary for high productivity and a smooth finish.

Quick removal of nozzles

Water nozzles can be quickly removed without the need for tools – increasing machine uptime and water system performance.

Maintenance-free bearings

Maintenance-free eccentric bearings are lubricated for life and built to tolerate high temperatures and rotation speeds.

Pressurized water system

A rust-proof, pressurized water system provides consistent flow to the drum surfaces – eliminating asphalt pick-up.

MAINTAIN YOUR PRODUCTIVITY.

Volvo machines are built to last. That's why all service points on the DD25B are easy to access for fast maintenance and reduced downtime. The lightweight engine hood opens effortlessly for daily inspection. Combined with Volvo's excellent service support, your DD25B will keep you rolling longer.

Easy-access engine compartment

The engine hood can be easily opened for daily maintenance and inspection. The hinged engine hood design is lightweight and tilts forward with the aid of two gas struts giving wide access to the engine and hydraulic components.

Dealer support comes standard

Your local Volvo dealer backs you and your operation with a ready supply of genuine Volvo parts that are perfectly matched to your machine. Your dealer is also ready to help you stay working with expert, trained service and support.

VOLVO CONSTRUCTION EQUIPMENT

Volvo Construction Equipment is different. Our machines are designed, built and supported in a different way. That difference comes from an engineering heritage of over 180 years. A heritage of thinking first about the people who actually use the machines. About how to help them be safer, more comfortable, more productive. About the environment we all share. The result of that thinking is a growing range of machines and a global support network dedicated to helping you do more. People around the world are proud to use Volvo.

Not all products are available in all markets. Under our policy of continuous improvement, we reserve the right to change specifications and design without prior notice. The illustrations do not necessarily show the standard version of the machine.

City Council Action Item

Council Meeting Date: August 9, 2018

Agenda Item #:

Department: Administration

Agenda Item: Consider Ordinance No. 1084 Annexing Certain Land Into The City Of Edgerton, Kansas.

Background / Description of Item:

When Waverly Road was built in 2016, the west side right of way (ROW) adjacent to the road, between 191st and 196th, was not annexed into the City of Edgerton. This oversight was brought to the attention of City Staff when the plat for TSL was taken to the county for recording. This action is a housekeeping item to take care of the annexation of these ROW remnant parcels. Parcel ID#s 2R221503-3024 through 2R221503-3029 (owned by City of Edgerton) and 2R221503-3021 (owned by Johnson County Board of Commissioners) are included in this action. The accompanying Ordinance 1084 includes the legal description which encompasses all these parcels.

Kansas Statute 12-520 states that the governing body of any city, by ordinance, may annex land into such city if that land abuts property on one or both sides that is already within the city. This property is contiguous to property within the City of Edgerton corporate city limits.

The draft ordinance was prepared by City Attorney. The legal description was reviewed by City Engineer.

Related Ordinance(s) or Statute(s): K.S.A. 12-520(7)(f), Ordinance Nos. 969 and 1002 (annexation of properties adjacent to ROW)

Prepared by: Beth Linn, City Administrator

ORDINANCE NO. 1084

AN ORDINANCE UNILATERALLY ANNEXING SPECIFIC LAND INTO THE CITY OF EDGERTON, KANSAS, PURSUANT K.S.A. 12-520

WHEREAS, City Staff has identified right-of-way adjoining Waverly Road a portion of which is owned by the City and a portion of which is owned by Johnson County, which has not yet been annexed into the City; and

WHEREAS, K.S.A. 12-520(a) allows the City to unilaterally annex property which is owned by the City; and

WHEREAS, K.S.A. 12-520(f) allows the City to unilaterally annex right-of-way which abuts property already within the City.

NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF EDGERTON, KANSAS:

Section 1. That the right-of-way legally described as

All of the East 40 feet of the Northeast Quarter of Section 3, Township 15 South, Range 22 East, in Johnson County, Kansas, together with all of the East 20 feet of the North half of the Southeast Quarter of said Section 3, less that part previously annexed to the City of Edgerton in said County.

and shown in the attached **Exhibit A** is hereby annexed to become part of the incorporated boundaries of the City of Edgerton, Kansas pursuant K.S.A. 12-520.

Section 2. That pursuant to K.S.A. 12-522, the City Clerk is hereby ordered to file a Certified Copy of this ordinance with the Clerk of Johnson County, the Records and Tax Administration of Johnson County, and the Johnson County Election Commissioner.

Section 3. This ordinance shall take effect and be enforced from and after its publication once in the official city newspaper.

PASSED by the Governing Body of the City of Edgerton, Kansas, and approved by the Mayor on the 9th day of August 2018.

Council Meeting Date: August 9, 2018

Agenda Item: Resolution Amending a Resolution of Intent

Subject: Transpec Leasing Incorporated Ordinance

Summary:

The City adopted Resolution No. 10-22-15B evidencing the intent of the City to issue industrial revenue bonds for a project for Transpec Leasing Incorporated. The project consisted of constructing a 478,000 sq ft surface container storage lot, a 4,800 sq ft shop building and a 400 sq ft security building at the southwest corner of 191st and Waverley Road in Edgerton, Kansas. The City issued not to exceed \$19 million in Series 2016 industrial revenue bonds for the project on July 14, 2016.

Amending Resolution:

Transpec desires to expand the original project by constructing an additional 1 million square feet of surface container storage space on approximately 30 acres of land adjacent to the original project. Transpec desires to finance this project expansion with proceeds of the Series 2016 bonds.

The amending resolution evidences the intent of the City to amend the Series 2016 bond issue to allow Transpec to use proceeds of the Series 2016 bonds to finance the expansion project. The City will need to approve amended bond documents at a later date to expand the scope of the project.

Transpec did not receive any property tax abatement for this project. The bonds were issued solely to provide Transpec with a sales tax exemption certificate for construction materials and equipment. The expansion portion of the project will also not receive any property tax abatement. Transpec will be entitled to use the project exemption certificate for the expansion project.

RESOLUTION NO. 08-09-18A

A RESOLUTION AMENDING A RESOLUTION OF INTENT TO ISSUE INDUSTRIAL REVENUE BONDS FOR A COMMERCIAL FACILITY FOR THE BENEFIT OF TRANSPAC LEASING INCORPORATED OR ITS ASSIGNS

WHEREAS, the City of Edgerton, Kansas (the “City”), desires to promote, stimulate and develop the general welfare and economic prosperity of the City and its inhabitants and to further promote, stimulate and develop the general welfare and economic prosperity of the state of Kansas; and

WHEREAS, the City is authorized and empowered under the provisions of K.S.A. 12-1740 to 12-1749d, inclusive (the “Act”), to issue industrial revenue bonds to pay the cost of certain facilities (as defined in the Act) for the purposes set forth in the Act and to lease or sublease such facilities to private persons or entities; and

WHEREAS, Transpac Leasing Incorporated, a Kansas corporation (the “Company”), has previously requested the City to issue its industrial revenue bonds in the approximate principal amount of \$19,000,000 (the “Bonds”), for the purpose of financing the cost of acquiring, constructing, improving and equipping an approximately 478,000 sq. ft. surface container storage lot, 4,800 sq. ft. shop building and a 400 sq. ft. security building (the “Original Project”) located on 50 acres of land at the southwest corner of 191st Street and Waverley Road in Edgerton, Kansas, and to sublease the Project to the Company all pursuant to the Act; and

WHEREAS, the City previously approved Resolution No. 10-22-15B (the “Resolution of Intent”) evidencing the intent of the City to issue industrial revenue bonds for the Original Project, and the City issued its \$19,000,000 aggregate maximum principal amount of Industrial Revenue Bonds (Transpac Leasing Incorporated Project), Series 2016 (the “Series 2016 Bond”) to finance the Original Project; and

WHEREAS, the Company has requested that the Original Project be expanded to include an additional approximately 30 acres of ground and an additional approximately 1 million square feet of surface container storage lot space (the “Expansion Project”);

WHEREAS, the City has found and determined it to be advisable and in the interest and for the welfare of the City and its inhabitants that the City amend the Resolution of Intent to include the financing of the Expansion Project;

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF EDGERTON, KANSAS, AS FOLLOWS:

Section 1. Approval of Expansion Project. The Governing Body of the City finds and determines that the acquisition, construction and equipping of the Expansion Project will promote, stimulate and develop the general welfare and economic prosperity of the City through the promotion and advancement of commercial development of the City and the payment of such costs with proceeds of the Series 2016 Bonds will be in furtherance of the public purposes set forth in the Act.

Section 2. Intent to Amend Series 2016 Bond Documents. The Governing Body of the City determines and declares the intent of the City to amend the Series 2016 Bond documents to allow for the financing of the Expansion Project with proceeds of the Series 2016 Bonds.

Section 3. Authority to Proceed. The Company is authorized to proceed with the acquisition and completion of the Expansion Project (provided all other City approvals and permits have been obtained) and to advance such funds as may be necessary to accomplish such purposes, and to the extent permitted by law, the City shall reimburse the Company for such expenditures out of the proceeds of the Series 2016 Bonds after the amendment of the Series 2016 Bond documents. Notwithstanding such authorization, the Company proceeds at its own risk and if for any reason, the Series 2016 Bond documents are not amended.

Section 4. Further Action. SA Legal Advisors LC, Bond Counsel for the City, and officers and employees of the City, are authorized to work with the Company and the purchaser of the Series 2016 Bonds to amend the Series 2016 Bond documents.

Section 5. Effective Date. This Resolution shall take effect and be in full force immediately after its adoption by the Governing Body of the City.

ADOPTED August 9, 2018.

ORDINANCE NO. 1085

AN ORDINANCE AMENDING CHAPTER XIV OF THE EDGERTON, KANSAS MUNICIPAL CODE TO INCORPORATE THE 2018 STANDARD TRAFFIC ORDINANCE, SUBJECT TO EXISTING LOCAL TRAFFIC PROVISIONS IN THE CITY CODE WHICH SUPPLEMENT AND/OR MODIFY CERTAIN SECTIONS THEREOF.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF EDGERTON, KANSAS:

SECTION 1: Article 1 of Chapter XIV of the Edgerton, Kansas Municipal Code is hereby amended to state the following:

ARTICLE 1. STANDARD TRAFFIC ORDINANCE

14-101. UNIFORM CODE INCORPORATED. There is hereby incorporated by reference for the purpose of regulating traffic within the corporate limits of the City of Edgerton, Kansas, that certain code known as the "Standard Traffic Ordinance for Kansas Cities" Edition 2018, prepared and published in book form by the League of Kansas Municipalities, Topeka, Kansas, save and except such articles, sections, parts or portions as are omitted, deleted, modified, or changed by Section 14-102 of the existing Code of the City of Edgerton. No fewer than one copy of said Standard Traffic Ordinance shall be marked or stamped "Official Copy as Adopted by Ordinance No. 10__" with all sections or portions thereof intended to be omitted or changed clearly marked to show any such omission or change and to which shall be attached a copy of this ordinance, and filed with the City Clerk to be open for inspection and available to the public at all reasonable hours. The Sheriff's Department of Johnson County, Kansas, the municipal judge and all administrative departments of the City charged with enforcement of the Ordinance shall be supplied, at the cost to the city, such number of official copies of such Standard Traffic Ordinance similarly marked, as may be deemed expedient.

14-102. PENALTY FOR SCHEDULED FINES. The fine for violation of an ordinance traffic infraction or any other traffic offense for which the municipal judge establishes a fine in a fine schedule shall not be less than \$10 nor more than \$500, except for speeding, which shall not be less than \$30 nor more than \$500. A person tried and convicted for violation of an ordinance traffic infraction or other traffic offense for which a fine has been established in a schedule of fines shall pay a fine fixed by the court not to exceed \$500, but said fine for subsequent convictions for the same offense may be increased in accordance with Section 201 of the Standard Traffic Ordinance.

SECTION 2: Article 2 of Chapter XIV of the Edgerton, Kansas Municipal Code is hereby preserved and any modifications or supplements to the Standard Traffic Ordinance stated therein are now applicable to the "Standard Traffic Ordinance for Kansas Cities" Edition 2018.

SECTION 3: Repeal. Former Article 1 of Chapter XIV of the Edgerton Municipal Code is hereby repealed.

SECTION 4: Effective Date. This Ordinance shall be effective after its passage, approval and publication once in the City's official paper.

Uniform Public Offense Code and Standard Traffic Ordinance

By Eric Smith, Deputy General Counsel, League of Kansas Municipalities

The 2018 editions of the *Uniform Public Offense Code* (UPOC) and the *Standard Traffic Ordinance* (STO) are now available for cities to order. (See the ad on page 164 in this month's KGJ or find it online at www.lkm.org.) This article describes the legislative changes to both publications and changes made by the editor.

UPOC

The legislature passed four bills – HB 2458, HB 2581, HB 2145 and SB 310 – affecting the UPOC this year.

HB 2458 amended criminal statutes resulting in two changes to the UPOC. Section 3.2, Battery Against a Law Enforcement Officer, and Section 3.3, Assault and Assault of a Law Enforcement Officer. Both sections were amended to add federal law enforcement officers to those who can be victims of these crimes.

HB 2581 made a major change to the crime of Giving a False Alarm. This crime is now titled Making an Unlawful Request for Emergency Service Assistance. The changes made to this crime include the addition of higher levels of felony sentencing, up to and including severity level 1, person felony, when the false request for assistance results in a death. The felony changes do not have any impact on the UPOC; however, Section 9.7 has been amended to reflect the change in name and some technical changes to the description of the crime.

HB 2145 made changes to the crime of Criminal Use of Weapons. Section 10.1 has been amended to remove throwing star from the list of items which are illegal to sell, manufacture, purchase, or possess. Dangerous knife, straight-edged razor, throwing star, and stiletto have been added to the list of items that are illegal to possess with the intent to use unlawfully against another. It is now legal to possess a throwing star so long as there is no intent to use it in an unlawful manner.

SB 310 made several changes to the Amusement Ride Act. These changes resulted in a few technical changes to the UPOC. Section 10.27, Illegal Operation of an Amusement Ride, has been amended to add the terms antique amusement ride, limited-use amusement

ride, and registered agritourism activity to the list of operations required to have a valid permit. The section has also been modified to remove the prior language which delayed the enactment of the crime to January 1, 2018.

STO

The legislature also passed three bills – H. Sub. SB 374, HB 2439 and Sub. SB 272 – affecting the STO.

H. Sub. SB 374 and HB 2439 addressed the Constitutional issues raised by several court cases concerning the crime of Driving Under the Influence of Intoxicating Liquor or Drugs and implied consent. These two bills resulted in amendments to Section 30, Driving Under the Influence of Intoxicating Liquor or Drugs; Section 30.1, Driving a Commercial Motor Vehicle Under the Influence of Intoxicating Liquor or Drugs;

and Section 194, Driving while License Canceled, Suspended or Revoked.

Section 30(c) has been amended to enhance sentencing if there are passengers under the age of 18 in the vehicle at the time of the DUI. Section 30(g) now requires the court to include any finding of alcohol concentration in the offender's blood or breath to be reported to the Division of Vehicles of the Department of Revenue. Section 30(h) and (i) have been modified to address the applicability of prior convictions for DUIs from other jurisdictions.

Section 30.1 has been amended to address many of the same changes made to Section 30. Section 194 has been amended to reflect changes made to the crime of vehicular homicide as a basis for license suspension.

Sub. SB 272 addressed several traffic related sections of the STO. New Section 40.1, Passing a Stationary Waste Collection Vehicle, has been added. It requires the driver of a motor vehicle to slow down and to move over as far as safely possible when passing a waste collection vehicle collecting trash. Law enforcement officers must give a warning to any violators prior to July 1, 2019, but officers can begin ticketing violators after that date. Section 81, Overtaking and Passing School Bus, has been amended to reflect the increase in fines for repeat offenses. Section 114.4,

Unlawful Operation of a Golf Cart, has been amended to allow a municipality to authorize the operation of a golf cart after sunset if equipped with lights as required for motorcycles and a slow-moving vehicle symbol.

Editor's Changes

In addition to the changes described above, there have been changes made to both the UPOC and the STO based on conversations with members as well as a desire to produce a more comprehensive product. The UPOC will now contain the crimes of Unlawful Possession of Marijuana and Tetrahydrocannabinols, Section 9.1.1, Unlawful Possession of Drug Paraphernalia and Simulated Controlled Substances, Section 9.9.2 and Criminal Littering, Section 6.8. A definition for Waste Collection Vehicle has been added to Section 1 of the STO in conjunction with the new Section 40.1. The crime of Littering from a Motor Vehicle, Section 112.1, was included to assist some members who have had problems with this in the past.

Excellence in Local Government Award

The E.A. Mosher Excellence in Local Government Award is presented annually to an elected city official who has not only demonstrated outstanding service to his or her own city, but has also shown an active commitment to strong local government and service to the League of Kansas Municipalities. Named in honor of E. A. Mosher, League Executive Director from 1960 to 1991, this award is designed to honor excellence and leadership at the highest level.

Nominees for the E.A. Mosher Excellence in Local Government Award must meet the following qualifications:

- Must be an elected official from a League member city;
- Must have held elective office for a minimum of four years;
- Must demonstrate contributions that have had a significant impact on the quality of life of the citizens of his or her city;
- Must demonstrate contributions in promoting positive intergovernmental relationships; and
- Must show involvement with the League.

Guidelines for the selection of the 2018 award winner are as follows:

- Nominations will not be accepted after 5:00 p.m. on August 24, 2018;
- Nominations may be made by any elected or appointed official of a League member city;
- The Awards Committee of the League Governing Body will select the award recipient; and
- The winner's name will be kept confidential until the presentation at the League Annual Conference in Topeka.
