Defeat Gotham's villains by designing and building Batman's most advanced crime-fighting machines! Infiltrate Arkham Asylum, build a Bat Cycle and fly your Batcopter. Use your projects to thwart the Joker's plans to take over the city. Be the super-hero or super-heroine Gotham needs while engineering solutions using STEM concepts!

Why Playwell? Kids dive into our classes and exercise their innate gift for building. They come away understanding fundamental principles of engineering and physics. The experience boosts their confidence, creativity and ability to collaborate. Kids can't get enough. For more information visit play-well.org.
