1. ADVERTISEMENT FOR BID

Sealed bid proposals for RESIDENTIAL SOLID WASTE COLLECTION AND DISPOSAL SERVICE in the City of Edgerton, Kansas will be received from qualified bidders until **3:00 PM ON WEDNESDAY, SEPTEMBER 15, 2021** at Edgerton City Hall, 404 East Nelson, Edgerton, KS 66021 at which time they will be publicly opened. Bids received after the designated closing time will be returned unopened.

All proposals shall be made on a printed proposal form included in the BID DOCUMENT FOR RESIDENTIAL SOLID WASTE COLLECTION AND DISPOSAL SERVICES containing the specifications for Work and shall be submitted in a sealed envelope addressed to the City of Edgerton and marked "RESIDENTIAL SOLID WASTE COLLECTION AND DISPOSAL."

The scope of work includes the curbside collection of residential solid waste using a volume-based rate structure, unlimited recyclable materials, segregated yard waste, special/bulk items and service to city facilities.

The Bid Document may be examined in the City Clerk's Office of Edgerton City Hall at 404 East Nelson, Edgerton, Kansas 66021. Copies of the Bid Document including the proposal forms for the purposes of bidding may be obtained from the City Clerk at City Hall. Any questions shall be directed to Kara Banks, Marketing & Communications Manager, at 913-893-6231.

The City of Edgerton shall have the right to take such steps as it deems necessary to determine the ability of the bidder to perform his obligations under the Contract and the bidder shall furnish the City of Edgerton all such information and data for this purpose as it may request. The right is reserved to reject any bid where an investigation of the available evidence or information does not satisfy the City of Edgerton, in its sole discretion, that the bidder is qualified to carry out properly the terms of the Contract.

The City reserves the right to reject any or all proposals, waive irregularities and/or informalities in proposals and make an award in any manner consistent with the law deemed in the best interest of the City.

Bids may be held by The City of Edgerton for a period not to exceed sixty (60) days from the date of opening of the bids for the purpose of reviewing the bids and investigation of the qualifications of the bidder prior to awarding of the Contract.

2. INSTRUCTIONS TO BIDDERS

a. GENERAL NOTICE

Sealed bid proposals for RESIDENTIAL SOLID WASTE COLLECTION AND DISPOSAL SERVICE in the City of Edgerton, Kansas will be received from qualified bidders until **3:00 PM ON WEDNESDAY, SEPTEMBER 15, 2021** at

Edgerton City Hall, 404 East Nelson, Edgerton, KS 66021 at which time they will be publicly opened. Bids received after the designated closing time will be returned unopened.

b. BIDDING DOCUMENTS

The Bid Document may be examined in the City Clerk's Office of Edgerton City Hall at 404 East Nelson, Edgerton, Kansas 66021. Copies of the Bid Document including the proposal forms for the purposes of bidding may be obtained from the City Clerk at City Hall. Any questions shall be directed to Kara Banks, Marketing & Communications Manager, at 913-893-6231.

c. PROPOSALS

All bid proposals shall be made on the bid proposal forms attached hereto and shall give the amount of bids for the work in both words and figures on the Rate Schedule and must be signed by the Contractor. All blank spaces in each bid proposal form must be completed in full in ink or typewritten. Every bidder must provide a BID PROPOSAL and a RATE SCHEDULE.

If a unit price or a lump sum already entered by the Contractor on the bid proposal form is to be altered, it shall be crossed out with ink and the new unit price entered above or below it, and initialed by the Contractor in ink.

In case of a discrepancy between the unit prices as indicated in figures and the unit prices indicated in words, the unit prices as written out in words in the bid proposal form shall govern and any errors found elsewhere, will be corrected.

Each bid must be submitted in a sealed envelope bearing on the outside the name and address of the Contractor and plainly marked "RESIDENTIAL SOLID WASTE COLLECTION AND DISPOSAL." The City may consider as irregular any bid not prepared and submitted in accordance with the provisions hereof and may waive any informality or reject any and all bids. Any bids may be withdrawn prior to the above scheduled time for the opening of the bids or authorized postponement thereof.

d. SIGNATURE OF BIDDER

The BID PROPOSAL must be properly signed in ink and the address of the Contractor given. The legal status of the bidder, whether corporation, partnership, or individual, shall also be stated in the bid. A corporation shall execute the bid by its duly authorized officers in accordance with its corporate by-laws. A limited liability company shall execute the bid by its duly authorized managers or other officers in accordance with its articles or organization, operating agreement and/or applicable law. Partnership Contractors shall give full names and addresses of all partners.

If the bidder is a joint venture consisting of a combination of any or all of the above entities, each joint venture shall execute the BID PROPOSAL.

Anyone signing a BID PROPOSAL as an agent or of another or others must submit with his bid legal evidence of his authority to do so.

e. ONLY ONE PROPOSAL ACCEPTED

No bidder may submit more than one (1) proposal. Two proposals under different names will not be received from one firm or association.

f. ADDENDA AND EXPLANATIONS

Explanations desired by prospective bidders shall be requested of the City in writing no later than seven (7) days prior to the date fixed for the submission and opening of bids. If explanations are necessary, a reply shall be made in the form of an addendum, a copy of which will be forwarded to each bidder. Every request for such explanation shall be in writing addressed to the Finance Director. Any verbal statements regarding same by any person prior to the award shall be non-authoritative and non-binding.

Addenda issued to bidders prior to date of receipt of bids shall become a part of the contract document, and all bids shall include the work described in the addenda.

g. COMPETENCY OF BIDDER

The opening and reading of the bid shall not be construed as an acceptance of the Contractor as a qualified, responsible bidder. The City reserves the right to determine the competence and responsibility of a bidder from its knowledge of the bidder's qualification or from other sources.

h. CONDITIONS

Each bidder shall fully acquaint itself with conditions relating to the scope and restrictions attending the execution of the work under the contract. Bidder shall thoroughly examine and be familiar with the specifications. It is expected that bidders will obtain information concerning the conditions at locations that may affect its work.

The failure or omission of any bidder to receive or examine any form, instrument, addendum or other document, or to acquaint itself with existing conditions, shall in no way relieve it of any obligations with respect to its bid or to the contract. The City shall make all documents available to the bidder.

The bidder shall make its own determination as to the conditions and shall assume all risk and responsibility and shall complete the work in and under conditions it may encounter or create, without extra cost to the City.

The bidder's attention is directed to the fact that all applicable State and Federal laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over the work to be performed shall apply to the contract throughout, as those laws, ordinances, rules and regulations may exist at the effective date of said contract and as they may be amended. Such shall be deemed to be included in the contract as though written out in full in the contract.

i. QUANTITIES

At the time of preparation of this BID DOCUMENT, this Contract would serve 638 customers. This number may increase (or decrease) to a greater (or lesser) quantity by the time a contract is executed and during the duration of the contract.

j. INSURANCE

The Contractor shall procure and maintain at its sole cost and expense, the following insurance coverage with minimum acceptable limits:

(1) COMMERCIAL GENERAL LIABILITY

\$1,000,000 Per Occurrence
\$2,000,000 Aggregate

Coverage shall be written on ISO occurrence form CG 0001 or equivalent, and shall cover liability arising from premises, operations, independent contractors, products and completed operations, and personal and advertising injury. Such coverage shall also contain a "per project" aggregate endorsement. It shall also name City, its officers, officials, employees, and agents as additional insureds on a primary basis, not contributing with any insurance maintained by the additional insured, using ISO additional insured endorsement CG 2010, or its equivalent, copy of which is required to be attached to the certificate of insurance. Contractor shall maintain this coverage for itself and for all additional insureds for the duration of the contract.

(2) CONTRACTORS POLLUTION LIABILITY

\$1,000,000 Per Occurrence
\$2,000,000 Aggregate

Coverage shall be written as a separate policy (on either a claims-made or occurrence-based policy form) or an equivalent coverage extension within the General Liability policy. Coverage is to include:

- All of the services that such contractor provides to City as described within the full scope of work for this contract.
- Bodily injury, sickness, disease, sustained by any person, including death.

- Property damage to include physical injury to or destruction of tangible property including resulting loss of use thereof, clean-up costs, and the loss of use of tangible property that has not been physically damaged or destroyed, including diminution of value.
- Defense costs, charges and expenses incurred in the investigation, adjustment or defense of claims.
- Contractual liability coverage for liability assumed by the Contractor under this written contract
- Coverage for claims arising from owned and non-owned disposal sites utilized in the performance of this contract, if applicable.
- Shall name City, its officers, officials, employees, and agents as additional insureds on a primary basis, not contributing with any insurance maintained by the additional insured, using ISO additional insured endorsements CG 2010, or its equivalent, copy of which is required to be attached to the certificate of insurance. Contractor shall maintain this coverage for itself and for all additional insureds for the duration of the contract.

(3) AUTOMOBILE LIABILITY
\$1,000,000 Per Accident

Coverage shall apply to all owned, hired, and/or non-owned automobiles used in the completion of the work set forth in the contract. It shall also name City, its officers, officials, employees, and agents as additional insureds. Policy shall contain CA9948 Endorsement.

(4) WORKERS COMPENSATION - STATUTORY & EMPLOYERS LIABILITY
\$1,000,000 Each Accident
\$1,000,000 Policy Limit - Disease
\$1,000,000 Each Employee – Disease

Coverage shall apply to all workers and employees related to the work, including sole proprietors, partners, members of an LLC, and officers of a corporation, regardless of whether or not such persons come under the statutory requirements to carry this coverage.

(5) UMBRELLA / EXCESS LIABILITY
\$1,000,000 Per Occurrence
\$1,000,000 Aggregate

A combined single limit of excess liability to apply over and above General Liability, Contractors Pollution Liability, Auto Liability, and Employers Liability, with terms and conditions consistent with those of the underlying coverage, not any more restrictive. It shall also name City, its officers, officials, employees, and

agents as additional insureds on a primary basis, not contributing with any insurance maintained by the additional insured.

(6) WAIVER OF SUBROGATION

Contractor, and in addition, its insurers, through policy endorsement, and to the fullest extent permitted by law, waives all rights of subrogation against City, its officers, employees, Mayor, and City Council Members, volunteers and agents for recovery of damages applicable to commercial general liability, contractors pollution liability, commercial umbrella liability, business auto liability or workers compensation and employers liability insurance maintained per the requirements stated above.

(7) CERTIFICATE OF INSURANCE

Prior to commencing the work, Contractor shall furnish an acceptable certificate(s) of insurance, identifying insurers that write Contractor's coverages, with minimum Best's Guide Rating of A- and Class VIII or better, and authorized to do business in the state of Kansas. Certificate will evidence the required coverage and endorsements stated above, with copy of the additional insured endorsement attached. Should any of the above described policies be cancelled or non-renewed, the City shall first be provided 30 days prior written notice, except 10 days for non-payment of premium. This cancellation provision shall be indicated on the certificate of insurance. City also reserves the right to obtain copies of Contractor's policies to validate coverage in effect if certificates are ambiguous. If any portion of the work is to be subcontracted, Contractor shall require that the subcontractor(s) shall comply with the same indemnification agreement terms and be required to provide and maintain all insurance coverages and provisions as stated above, with a formal certificate of insurance provided to City evidencing same. Acceptance of any certificate that does not comply with the above requirements shall not operate as a waiver of Contractor's obligations hereunder. And the fact that insurance is obtained by Contractor shall not be deemed to release or diminish the liability of Contractor including, without limitation, liability under the indemnity provisions of this contract. Damages recoverable by City shall not be limited by the amount of the required insurance coverage. Contractor shall notify City in writing as soon as possible after any bodily injury or property damage occurrence that could potentially lead to any lawsuit or after it receives notice or knowledge of any demand, claim, cause of action, lawsuit, or action arising out of the work performed under this contract.

k. REJECTION OF BIDS

The City of Edgerton, Kansas reserves the right to reject any or all bids for any reason and to omit one or more items, or portions of items, of the proposal from the award of the Contract, in its sole discretion.

I. PAYMENTS

The City will pay the Contractor for services rendered within thirty (30) days following the end of the month. Such payment shall be based on the attached Rate Schedule and the number of accounts established by the City. The City shall revise the number of accounts on an annual basis subject to Section 4.d. and Exhibit A, Schedule IV. The Contractor shall bill and collect for Schedule I, II, III and IV services based on the RATE SCHEDULE.

m. LICENSES AND TAXES

The Contractor shall obtain a Johnson County Hauler License through the Johnson County Environmental Department. In addition, the Contractor shall obtain all other licenses and permits (other than the license and permit granted by the contract) and pay all applicable taxes required by the City, County or the State of Kansas.

3. SCOPE OF WORK

The work under bid for the contract shall consist of the items contained in Exhibit A of this proposal, including all incidentals necessary to fully complete said work in accordance with the bid document.

The work under the awarded contract does not include the collection and disposal of any increased volume resulting from a flood, tornado, or similar or different acts of God over which the Contractor has no control. In the event of such a flood, tornado or other acts of God, the Contractor and the City will negotiate the payment to be made to the Contractor, if the Contractor and the City agree that such increased volume is to be handled by the Contractor. Further, if the City and the Contractor reach such agreement, then the City shall grant the Contractor variances in routes and schedules as deemed necessary by the Contractor.

4. GENERAL SPECIFICATIONS

The following specifications shall apply to all solid waste collections. Specifications unique to Schedules I, II, and III are listed separately.

a. HOURS OF OPERATION

Collection of solid waste shall not start before 7:00 a.m. or continue after 6:00 p.m. of the same day. Exceptions to collection hours shall be effected only upon the mutual agreement of the City and Contractor, or when Contractor reasonably determines an exception is necessary in order to complete collection on an existing collection route due to unusual circumstances. City facilities are open Monday through Friday from 8:00 AM to 4:30 excluding holidays. All collection at city facilities must be completed during normal city hours of operation.

b. ROUTES OF COLLECTION

Collection routes shall be established by the Contractor subject to the approval of the City through its City Administrator. Contractor shall submit a map designating the collection routes to the City for its approval, which approval shall not be unreasonably withheld.

The Contractor may from time to time propose changes to the routes or days of collection. Upon the City's approval of the proposed change, the Contractor shall promptly give written or published notice to the affected service locations.

c. HOLIDAYS

The City of Edgerton currently observes the holidays listed below. The City will notify Contractor of any future changes in holidays observed by the City. The Contractor may also observe all the below-mentioned holidays by suspension of collection services on the holiday, but such suspensions in no manner relieves the Contractor of its obligation to provide collection service as provided in the contract. To compensate for the holidays mentioned above, the work schedule may be moved to one (1) day after a holiday, so that every scheduled service location receives its normal level of service during the week. Services shall return to the normal work schedule the following week.

New Year's Day (January 1)
Presidents Day (3rd Monday in February)
Memorial Day (Last Monday in May)
Independence Day (July 4)
Labor Day (1st Monday in September)
Columbus Day (2nd Monday in October)
Veteran's Day (November 11)
Thanksgiving (4th Thursday of November)
Day after Thanksgiving (4th Friday of November)

Christmas (December 25)

d. ACCOUNT MANAGEMENT

The City will set the number of accounts on an annual basis. The City may receive requests for service to additional service locations not initially included in the contract. The City will investigate all requests for service and will make the determination of eligibility for service and thereupon notify the Contractor. The City may annex areas in the future. These areas will be added to the list of residences that require residential solid waste collection and disposal services. The City will provide the contractor ninety (90) days notice of new accounts to be added. At time of publication of the Request for Bid, the City has approximately 638 active accounts.

The Contractor shall discontinue solid waste collection service at any unit as set forth in a written termination notice sent by the City. The City shall indemnify and hold Contractor harmless from any claims, suits, damages, liabilities or expenses resulting from the Contractors' discontinuing service at any location at the direction of the City.

e. COMPLAINTS

All complaints shall be received by the City and shall be given promptly to the Contractor. The Contractor shall be equipped with a local telephone and qualified attendants as may be necessary to receive and process complaints and service requests or receive instructions and directions from the City during the hours of 8:00 a.m. to 4:30 p.m. each and every working day during the term of the contract or renewal thereafter.

All complaints shall be resolved within twenty-four (24) hours. The Contractor shall maintain forms or logs indicating the time a complaint or request is received, the nature of the complaint or request, and the disposition of the same. Such records shall be available for City inspection at all times during normal working hours. When a complaint is received on the day proceeding a holiday or on a Friday, it shall be serviced by the Contractor no later than the next working day.

The Contractor will furnish to the City the following reports on a weekly basis: (1) a report of the service locations not served on the regular scheduled service day and reason service could not be given; (2) a report of the complaints received and the resolution of these complaints.

The City may require the Contractor to make personal supervisory contact to resolve a service complaint.

f. CONTRACT DURATION

The contract term shall be three (3) years and shall initially run from January 1, 2022 to December 31, 2024. The contract may be terminated at the end of the contract term unless the City and Contractor have mutually agreed upon an extension no later than four (4) months prior to the expiration date. All subsequent contract extensions, if any, shall be in increments of two (2) years.

Furthermore, the contract may be terminated within seven (7) days of the date of written notice to the Contractor if the Contractor:

- A. Fails to begin work at the time specified or fails to substantially perform the work with adequate personnel or equipment.
- B. Fails to perform the work suitably or discontinues the performance of work.
- C. Fails to provide reasonable customer service.
- D. Becomes insolvent or declares bankruptcy or commits any act of bankruptcy or insolvency or allows any final judgment for the payment of money to stand against him unsatisfied and the City gives notice of such default the Contractor or his surety fails to secure such default within two (2) days after such notice.
- E. The contract may be terminated at any time by mutual agreement of the City and Contractor.

g. CONTRACTOR'S PERSONNEL

The Contractor shall assign an On-Site Superintendent, a qualified person to be in charge of the operations contracted for and serve as the liaison to the City. This person shall be present in the city limits during times of operation of the contractor and shall serve as the contact for City staff for complaints each week during weekly collection. The information regarding experience of that person shall be furnished to the City upon request.

The Contractor's employees shall carry valid operator licenses for the type of vehicle they are driving. The wages of all employees of the Contractor shall equal or exceed the minimum hourly wages established by law, and no person shall be denied employment by the Contractor for reasons of race, creed, religion, sex, or national origin. No Contractor personnel shall use alcohol or unlawful drugs while providing service under this contract. Documentation to this effect shall be required of the Contractor and may be reviewed by the City upon request.

h. CUSTOMER SERVICE REQUIREMENTS

The Contractor shall provide high quality customer service, and shall:

- A. Treat all customers with dignity and respect.
- B. Treat customer's property with respect.

- C. Answer questions, comments, and complaints from customers in a timely manner.
- D. Replace the lid to containers, leave containers upright and out of the street and driveway, and will not block access to mailboxes.
- E. Leave a note to the customer indicating problems with items that cannot be picked up, and a way to contact Contractor to remedy any problem.
- F. Immediately clean up leaks or spills and pick up any trash dropped by the Contractor.

i. OWNERSHIP

Title to refuse and dead animals shall pass to the Contractor when placed in Contractor's collection vehicle, removed by the Contractor from a container, or removed by the Contractor from the residential unit, whichever last occurs.

j. INDEMNITY

Contractor will indemnify and save harmless the City, its officers, agents, servants, and employees from and against any and all Court actions, legal proceedings, claims, demands, damages, costs, expenses, and attorney fees to the extent resulting from a willful or negligent act or omission of the Contractor, its officers, agents, servants and employees in the performance of this contract; provided, however, that the Contractor shall not be liable for any suits, actions, legal proceedings, claims, demands, damages, costs, expenses and attorneys, fees arising out of the award of this contract for a willful or negligent act or omission of the City, its officers, agents, servants and employees.

k. GRANT OR RIGHT

The Contractor or Contractors shall be the only person or organization authorized by the City to provide residential solid waste collection and disposal services within the City of Edgerton provided and paid for by the City, unless otherwise provided for by this agreement. It is the understanding and intention of the parties hereto that this agreement shall not constitute a franchise, but a contract for the collection and disposal of solid waste collected under the contract with the corporate limits of the City of Edgerton, Kansas.

l. COMPLIANCE WITH LAWS

The Contractor shall conduct operations under the contract in compliance with applicable laws including city, county, state and federal regulations, provided, however, that the general specifications of the contract shall govern the obligations of the Contractor where there exists conflict with ordinances of the City on the subject. Equipment utilized shall comply with all axle weight restrictions.

m. CHANGES IN CHARTER AND ORDINANCES OF THE CITY

Any change in the existing City Charter or any ordinance of the City shall not affect the validity hereof or alter, modify, or amend the obligations or duties of, or the privileges or benefits occurring to the Contractor hereof, provided, however, that any changes in the ordinances of the City relating to the solid waste collection and disposal that are applicable throughout the City shall apply also within the service areas with Contractor's compensation being adjusted for any increased or decreased costs resulting from such changes.

n. TRANSFER AND ASSIGNMENT

Other than by operation of law, no assignment of the contract or right accruing under this contract shall be made in whole or in part by the Contractor without express written consent of the City. In the event of an assignment, the assignee shall assume the liability of the Contractor. The obligations of the Contractor are not to be sub-contracted, assigned, or transferred to any person or organization without first having obtained in writing the consent of the City.

o. SOLID WASTE MANAGEMENT ACT DATA SUBMISSION REQUIREMENTS

The Contractor shall be required to provide to the City all data requests deemed necessary by the City in compliance with the reporting requirements of the Solid Waste Management Act of 1989 (SB 111), as amended, or any other federal or state law or regulation. The Contractor is expected to be thoroughly familiar with the reporting requirements stipulated in said acts.

p. HAULING

All solid waste hauled by the Contractor shall be so contained, tied or enclosed that leaking, spilling, or blowing are prevented. The Contractor shall immediately clean up any leaking, spilled or blown items, particularly hydraulic fluid and petroleum products.

q. NOTIFICATION

The City shall notify its citizens of complaint procedures, rates, regulations and days for scheduled solid waste collection.

r. MODIFICATION TO RATES

The Contractor shall provide and perform all of the work specified herein for the amount indicated in the bid proposal for the duration of the contract. It is expressly understood that the payment provided for in accordance with the Rate Schedule shall constitute full and complete payment to the Contractor for all services provided by the Contractor as specified.

s. NON-DISCRIMINATION, AFFIRMATIVE ACTION & FEDERAL REGULATION

A. The Contractor shall be an equal opportunity employer as defined by Section 1000 (e) of Chapter 21, Title 42, of the United States Code

Annotated, and comply with all Federal Regulations or acts regarding construction or employment when Federal Funds are used on the project.

- B. The Contractor shall observe the provision of the Kansas Act Against Discrimination and shall not discriminate against any person in the performance of Work under the present Contract because of race, religion, color, sex, physical handicap unrelated to such person's ability to engage in the particular work, national origin or ancestry.
- C. In all solicitations or advertisements for employees, the Contractor shall include the phrase, "equal opportunity employer", or a similar phrase to be approved by the Kansas Commission on Civil Rights.
- D. If the Contractor fails to comply with the manner in which the Contractor reports to the Commission in accordance with the provisions of K.S.A. 1977 Supp. 44-1031, as amended, the Contractor shall be deemed to have breached the present Contract and it may be canceled, terminated or suspended, in whole or in part, by the Owner.
- E. If the Contractor is found guilty of a violation of the Kansas Act Against Discrimination under a decision or order of the Commission which has become final, the Contractor shall be deemed to have breached the present Contract and it may be canceled, terminated or suspended in whole or in part, by the Owner.

The Contractor shall include the provisions of paragraphs (A) through (E) inclusively of this subsection in every subcontract or purchase order so that such provisions will be binding upon such subcontractor or vendor.

EXHIBIT A

SCHEDULE I SPECIFICATIONS RESIDENTIAL SOLID WASTE AND RECYCLABLE MATERIALS

In addition to the General Specifications, the following shall apply to Schedule I.

Scope of Work: The Contractor shall provide curbside collection of residential solid waste and recyclable materials once per week on a regularly scheduled day or days. Residential solid waste shall be collected using a volume-based rate structure by which the customer is charged based on the total volume or weight that is collected. Unlimited recyclable materials shall be collected.

Volume-Based Collection: The Contractor shall provide one 95-gallon container to each customer for curbside collection of solid waste. The base fee entered in the attached RATE SCHEDULE includes the collection of solid waste that fits inside the 95-gallon container with the lid securely closed. Any additional containers or bags may be collected by the Contractor if the container/bag is readily identifiable and is paid for by the customer. The Contractor will supply the City with the stickers, tags or other device to identify additional bags for purchase by the residents.

Recyclable Materials: The Contractor shall provide at least one 65-gallon minimum container to each customer for the curbside collection of unlimited recyclable materials. Collection of recyclable materials is not an optional service and must be included in the base fee for Schedule I. In accordance with the Johnson County solid waste regulations, the Contractor shall accept common recyclables such as food-grade plastics, cardboard, office paper, newspaper, chip board, phone books, junk mail, magazines and aluminum and steel cans.

Special Accommodation: Aged, feeble or handicapped customers for whom it would be impractical or difficult to transport the container to the curbside shall be served from their house side or where their containers are generally kept, provided the City shall provide a written list of such customers to the Contractor on a quarterly basis.

Containers: Any container provided by the Contractor for public use shall be of a uniform size, design and similar color as approved by the City Administrator. The Contractor shall provide smaller sizes or alternative designed containers (for solid waste and/or recyclable materials) sufficient to meet the needs of elderly and temporarily/permanently disabled residents upon written request from any such resident at no additional charge. The Contractor shall promptly replace any such container that has exceeded its useful life as a result of damage or age. Requests for extra containers shall go through the City, who will then notify the contractor. The contractor shall notify the City in writing when extra carts are delivered or retrieved.

Disposal: Disposal shall be at any legally operated landfill permitted by the State of Kansas.

Excess Holiday Residential Refuse: During the week of December 26th through December 31st of each year of this Contract, the Contractor shall collect up to ten (10) additional bags of refuse from each dwelling unit as part of the base fee without the stickers, tags or other device typically needed for collection.

SCHEDULE II SPECIFICATIONS YARD WASTE

In addition to the General Specifications, the following shall apply to Schedule II.

Scope of Work: The Contractor shall provide curbside collection of residential yard waste including grass, plant clippings, leaves and limbs once per week on a regularly scheduled day or days. In accordance with the Johnson County regulations for solid waste, the yard waste must be segregated from solid waste, placed in a container suitable for composting, or appropriately bundled and tied to be delivered to a facility or property authorized to accept yard waste. Grass, plant clippings and leaves shall be bagged in paper bags. Limbs shall be bundled and tied with string.

Limit of Items: During the normal course of the year, a limit of eight (8) yard waste items will be collected. A bag or bundle is considered one item. During the months of March, April, August, September, October and November the limit is twelve (12) items. Any additional items may be collected by the Contractor if the item is readily identifiable and is paid for by the customer. The Contractor will supply the City with the stickers, tags or other device to identify additional bags for purchase by the residents.

Disposal: The Contractor shall be responsible for the transportation of the yard waste materials to a legal collection facility for processing, composting and disposal.

Monitoring: The Contractor shall be responsible for monitoring the accumulation of yard waste requiring special collection and/or repackaging. If the Contractor does not collect yard waste for any reason, the Contractor shall leave a notice or door hanger outlining why said materials were not removed and describing actions necessary to allow for pickup.

The Contractor shall be responsible for all costs associated with the disposal of materials collected under Schedule II. The Contractor shall retain any income associated with the sale of the disposal items.

SCHEDULE III SPECIFICATIONS SPECIAL/BULK ITEMS

In addition to the General Specifications, the following shall apply to Schedule III:

Scope of Work: The Contractor shall pickup bulk items (bulk items that can be removed by a 2-man lift), examples include furniture, appliances, and bagged construction and demolition debris. The Contractor shall pickup one bulk item per dwelling per week at no additional charge. Contractor shall pickup additional bulk items at fee listed in the bid proposal. Resident must notify Contractor in advance of bulk items to be collected. The Contractor is responsible for collecting payment from the resident for any bulk items over the one bulk item allowed per dwelling per week.

Disposal of Material: Disposal shall be at any legally operated landfill permitted by the State of Kansas. The Contractor shall be responsible for all costs associated with the disposal of materials collected under Schedule III.

Monitoring: The Contractor shall be responsible for monitoring the accumulation of bulk items requiring special collection. In the event the Contractor observes the existence of special pickup items for which special collection is required, but for which no request for such collection has been made, the Contractor will place a door hanger at the residence. The door hanger will instruct the occupant to notify the Contractor, to make arrangements for the item to be picked up.

The Contractor shall be responsible for all costs associated with the disposal of materials collected under Schedule III. The Contractor shall retain any income associated with the sale of the disposal items.

SCHEDULE IV SPECIFICATIONS CITY FACILITIES

In addition to the General Specifications, the following shall apply to Schedule IV:

Scope of Work: The Contractor shall provide the following services for facilities owned and/or operated by the City of Edgerton.

A. City Hall: (404 E. Nelson)

1. Solid Waste: The Contractor shall provide four (4) 95/96-gallon containers for the disposal of solid waste. The containers will be collected once per week on a regularly scheduled day.
2. Recyclable Materials: The Contractor shall provide at least two (2) 65-gallon minimum containers for the collection of recyclable materials. Additional containers may be requested by the City for the collection of recyclable materials at no additional charge. The recyclable materials will be collected once per week on a regularly scheduled day. The Contractor shall accept common recyclables similar to regular residential collection.

B. Edgerton Public Works Facility (710 E. Nelson):

1. Solid Waste: The Contractor shall provide one twenty-yard container for the disposal of solid waste. The container will be collected once per week on a regularly scheduled day.
2. Recyclable Materials: The Contractor shall provide one four-yard minimum container for the collection of recyclable materials. Additional containers may be requested by the City for the collection of recyclable materials at no additional charge. The recyclable materials will be collected once per week on a regularly scheduled day. The Contractor shall accept common recyclables similar to regular residential collection.
3. Streetsweeper Waste and Debris: The Contractor shall provide one twenty-yard container for the disposal of yard waste and debris that is collected during the City's street sweeping operations. Disposal removal occurs based on call generated from staff. Once the call is placed, removal shall occur within two business days during normal business hours (Monday through Friday 8:00 AM to 4:30 PM excluding holidays). The City will pay a fee per ton upon disposal of the dumpster.

C. Edgerton "Yellow House" (305 E Nelson):

1. Solid Waste: The Contractor shall provide one 96/96 container for the disposal of solid waste. The container will be collected once per week on a regularly scheduled day.
2. Recyclable Materials: The Contractor shall provide one 65-gallon minimum container for the collection of recyclable materials. Additional containers may be requested by the City for the collection of recyclable materials at no additional charge. The recyclable materials will be

collected once per week on a regularly scheduled day. The Contractor shall accept common recyclables similar to regular residential collection.

D. Big Bull Creek Wastewater Treatment Facility (20600 Homestead Lane):

1. Solid Waste: The Contractor shall provide two (2) one-yard dumpsters for the disposal of solid waste. The dumpsters will be collected once per week on a regularly scheduled day.
2. Recyclable Materials: The Contractor shall provide at least one 95/96 container for the collection of recyclable materials. Additional containers may be requested by the City for the collection of recyclable materials at no additional charge. The recyclable materials will be collected once per week on a regularly scheduled day. The Contractor shall accept common recyclables similar to regular residential collection.
3. Sludge Disposal: The Contractor shall provide a 20-yard dumpster necessary for sludge disposal. The City will pay a fee per ton upon disposal of sludge dumpster. Disposal removal occurs based on call generated from staff. Once call is placed, removal shall occur within two business days during normal business hours (Monday through Friday 8:00 AM to 4:30 PM excluding holidays). As an alternative, the Contractor is permitted, but not required, to hire, as outlined in Section 2.I "Insurance" of this document, a licensed and insured third party to pick up and dispose of sludge. If the Contractor chooses to hire a third party contractor the City will only pay the sludge disposal fees to the Contractor and will only notify the Contractor when sludge disposal is needed. All other necessary communication for sludge disposal operations will be the responsibility of the Contractor and its designated third party. Special consideration will be given to firms that propose eco-friendly sludge disposal methods.

Annual Citywide Cleanup:

The Contractor shall provide curbside bulk item collection on the third Saturday of May, or other date as designated by the City each year. Curbside collection shall include bulk items that can be removed by a 2-man lift. Examples include appliances without CFCs, furniture, carpet, bagged construction debris, etc. Contractor shall provide dumpster for collection of appliances that contain CFCs at Edgerton Public Works Facility, 710 E. Nelson Street, Edgerton, KS 66021.

Future Facilities:

The Contractor shall provide services as listed above at the fees included in BID PROPOSAL to future facilities the City may build/acquire during the term of this contract.

Special Events: The Contractor shall provide additional dumpsters and disposable trash receptacles and collection service for said dumpsters and disposable trash receptacles

for special events including but not limited to, Edgerton Frontier Days, Third of July Community Picnic and other events or needs as requested by the City. The City will only be charged the actual disposal fee incurred at the landfill by the Contractor for emptying such dumpsters.
